

RECERTIFICATION - Expired Credential

For those **EMTs whose certification expired on 06/30/2012**, and failed to submit a recertification application prior to their expiration date, despite having completed the 24 Core and 24 Elective CEU requirements, should logon to their account and complete the re-entry application. Once you have completed the on-line application please send an email to ems@doh.state.nj.us and request that your application be processed.

RECERTIFICATION - Current Credential

For those EMTs whose **certification expiration date is 12/31/2012**, and who have met the minimum CEU requirements, please log in, and select the ``Renewal Certification form`` link and follow the instructions. You will be prompted to verify your contact information before your recertification request can be processed. Please read the instructions carefully and select the appropriate response. You may apply for recertification now if you have met the minimum education requirements. **Do not recertify unless you have met all recertification requirements. ONLY COURSES APPROVED by NJOEMS can be used for recertification of your EMT-Basic/EMT**
